I own/rent on Big Marine Lake (check one): Own Rent

My areas of interests are: _____

I am interested in serving on one or more of the following committees (check all that apply)

Membership Communications/Newsletter Lake Mapping Social Events Board

A one year membership is a suggested contribution of \$50.00 per property owner, access owner, or associate member. The BMLA is a 501C3 organization—Your donations are 100% tax deductible.

Payments:

Pay via Donations on the BMLA Website **OR** include a check payable to BMLA.

Please mail your application and check to:

Big Marine Lake Association, 12636 - 182nd St. N., Marine, MN 55047

The BMLA needs to increase our membership numbers to help push our agenda with governmental agencies and other entities from which we seek grants or assistance. A high percentage of lakeshore property owners who are members is a very positive influence in obtaining positive actions. Past individual membership contributions have ranged from \$15 to \$500 or more/year. About 50% of BML lakeshore property owners have typically been dues paying members. Please join the BMLA and contribute whatever amount you can. The suggested contribution has been \$50—Use that as a guideline but not necessarily a minimum amount. Your financial help and your membership is very essential to the success of our battle (from which we cannot withdraw) against aquatic invasive species.

It is critical that the BMLA have as many members as possible. Each membership donation is not considered to be "one" member. For example, a household of one = one member, of husband and wife = two members. Please advise of any non-minor children in the immediate family or any other relatives (grandfathers, grandmothers, brothers, sisters, cousins, nephews, nieces) who consider BML important and would like to be listed as a BMLA member.
